You are Invited

2017 Arbor Day Foundation Community Tree Recovery Tree Distribution

Tree Distribution in Four Locations

The Washington Tree Recovery campaign is a partnership between the Washington State Nursery and Landscape Association, the Okanogan Conservation District, the Methow Conservancy and the Arbor Day Foundation. This multiyear effort will focus on distributing new trees to Washington residents who have lost so much in the wildfires of 2014 & 2015. These trees will help renew their sense of community and restore hope to those who have lost so much.

TWISP

Saturday, April 29

**Twisp Works
502 S. Glover Street
Twisp**

Early distribution for fire survivors from
9:30-10:30

Open to all Distribution
10:30-Noon

Small native trees will be distributed by the Methow Conservancy at TwispWorks to fire victims from the 2014 and 2015 events, as well as to the general public.

There will be printed material and experts available to provide information on planting and caring for these young trees
